

Public Warehouse Storage Reporting

Public Warehousing System and Customer Web Access

To complete these processes, you will need to Login.

STG provides login access run reports, verify inventory total and view activity status. From the STG **Home** page you must login to your account to access or information or process order. After a successful login you will be directed to the Home page of your account.

The screenshot displays the STG Customer Portal interface. At the top, a navigation menu contains the following items: Home, Containers, ITs, Exports, Air Imports, Air Exports, PWS, CES, Alerts, My Account, and STG Transportation. The 'Home' link is highlighted with a red box. Below the navigation is a large banner image of a port with the text 'STG Customer Portal'. The main content area consists of several service tiles:

- Containers**: Manage and Track your CFS Cargo Services
- ITs**: Manage and Track your IPI Cargo
- Exports**: Manage and Track your Export Cargo Services
- Air Imports**: Manage and Track your Air Import Services
- Air Exports**: Manage and Track your Air Export Services
- PWS**: Manage and Track your Public Warehousing Cargo Services
- Reports**: Schedule and Manage your Reports
- Alerts**: Configure and Manage Alert Notifications for your Cargo Every Step of the Way
- My Account**: Manage your user information and View your access and Web Logins
- STG Brokerage**: Manage your Brokerage Orders

Click the PWS tab to access the Public Warehouse Storage cargo.

Click Reports to search/request a specific report.
