A blue 'Search' button is located at the bottom left of the tracking form.

## Reports

Users may run on demand reports or schedule reports by clicking on the link or use the drop down menu.

The screenshot shows the STG Logistics website interface, similar to the previous one, but with the 'Reports' link in the secondary navigation bar highlighted. A dropdown menu is open under 'Reports', listing various report categories. A red arrow points from the text above to the 'Reports' link, and another red arrow points from the text above to the 'My Scheduled Reports' link in the list. The dropdown menu items are:

- Reports Home
- Ocean Exports CFS
- Ocean Imports CFS** (highlighted)
- Air Exports CFS
- Air Imports CFS
- IPI
- General Order (GO)
- PWS
- CES
- Other

The 'Ocean Imports CFS' dropdown is expanded, showing the following sub-items:

- Current Inventory
- Historical Inventory
- Warehouse Performance
- Harbor Status
- Container Status
- Container Outturn
- Inland Status

To the right of the dropdown menu, the 'My Scheduled Reports' section is visible, listing several report types with brief descriptions:

- [My Scheduled Reports](#): Schedule and manage your reports
- [Current Inventory](#): Run inventory reports for each STG facility
- [Historical Inventory](#): Run historical inventory reports by time period for each STG facility
- [Warehouse Performance](#): Run warehouse performance reports to track your cargo from arrival date to strip date
- [Harbor Status](#): Search and view your container's harbor status for each STG facility
- [Container Status](#): View your CFS container status for each STG facility
- [Container Outturn](#): View your CFS outturn reports for each STG facility
- [Inland Status](#): Run inland reports for each STG facility

## Reports – Harbor Status

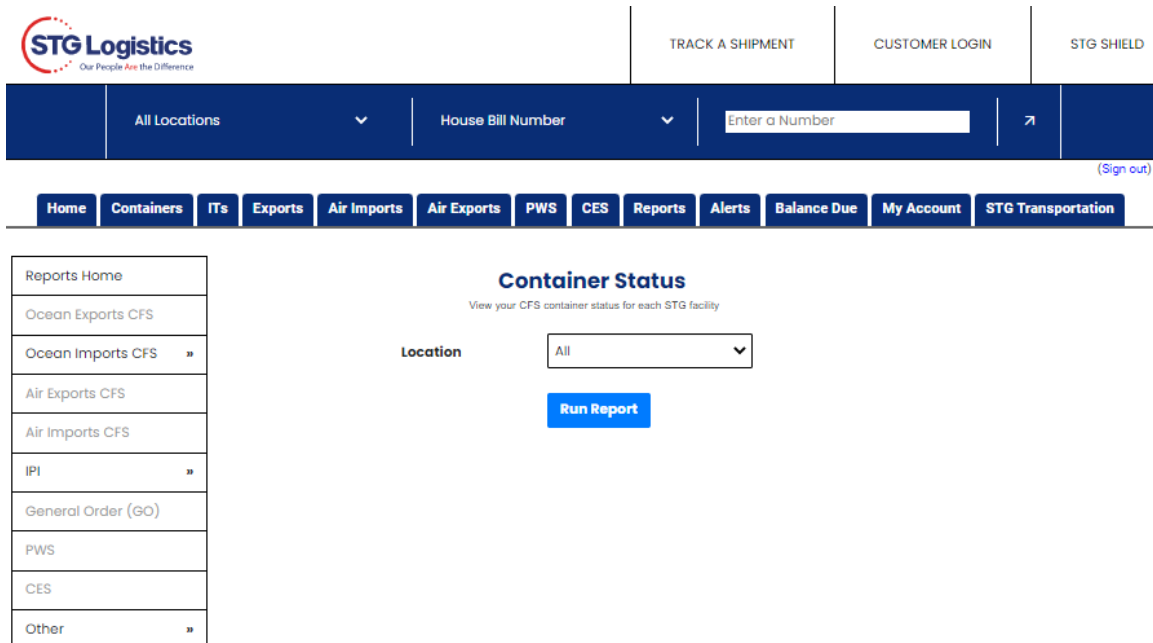

Search and view your container’s Harbor Status.

The screenshot shows the Harbor Status report interface. At the top, there is a navigation bar with the STG Logistics logo and three links: TRACK A SHIPMENT, CUSTOMER LOGIN, and STG SHIELD. Below this is a search bar with dropdown menus for 'All Locations' and 'House Bill Number', followed by an input field for 'Enter a Number' and a search icon. A '(Sign out)' link is visible on the right. A horizontal menu contains various report categories: Home, Containers, ITs, Exports, Air Imports, Air Exports, PWS, CES, Reports, Alerts, Balance Due, My Account, and STG Transportation. On the left, a vertical sidebar lists report options: Reports Home, Ocean Exports CFS, Ocean Imports CFS, Air Exports CFS, Air Imports CFS, IPI, General Order (GO), PWS, CES, and Other. The main content area is titled 'Harbor Status' and includes the instruction 'Search and view your container’s harbor status for each STG facility'. It features a 'Location' dropdown menu set to 'All', a 'Container' input field, and a blue 'Run Report' button.

## Reports – Container Status

View your CFS Container Status.

The screenshot shows the Container Status report interface. It has the same top navigation bar and search bar as the Harbor Status page. The horizontal menu is identical. The vertical sidebar on the left is also identical. The main content area is titled 'Container Status' and includes the instruction 'View your CFS container status for each STG facility'. It features a 'Location' dropdown menu set to 'All' and a blue 'Run Report' button.

## Alerts

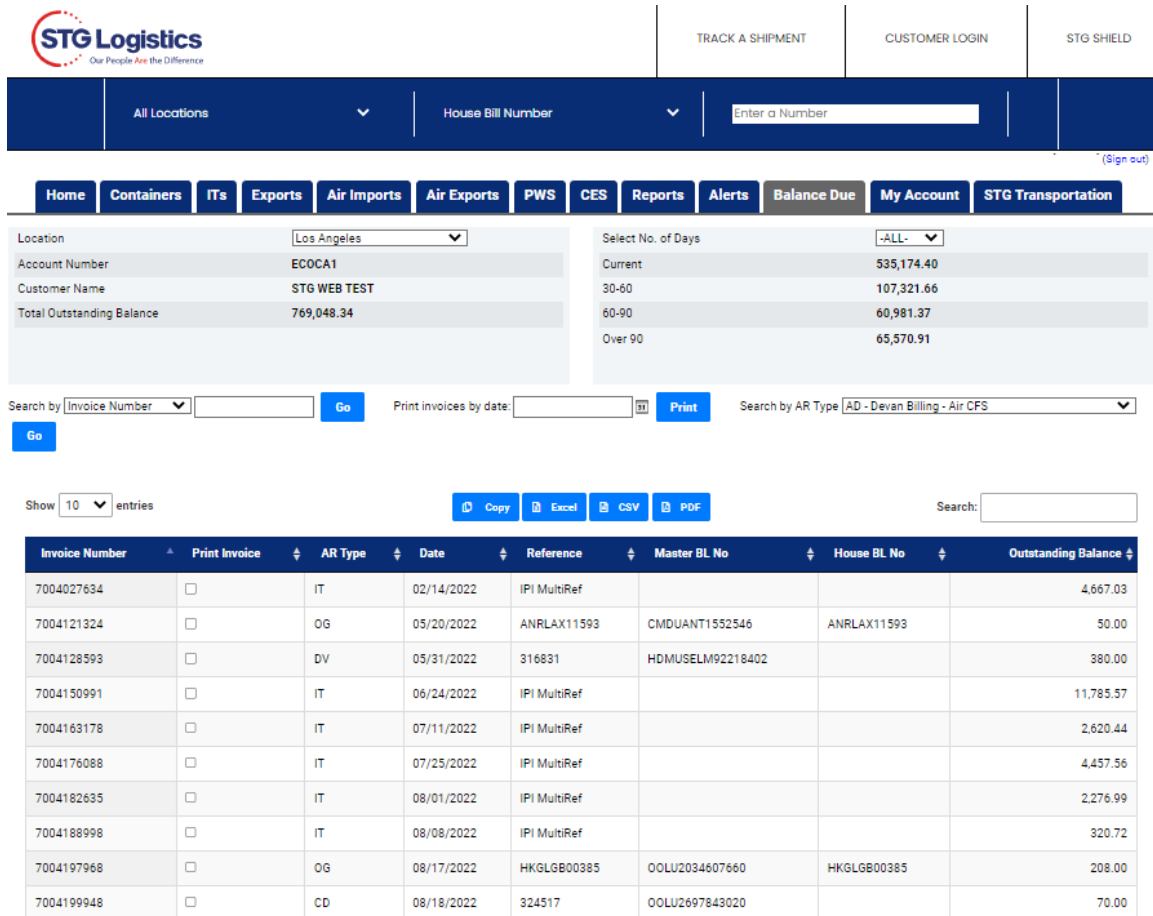

Schedule Alerts from the Alerts tab.

The screenshot shows the Alerts tab interface. At the top, there is a navigation bar with the STG Logistics logo and links for TRACK A SHIPMENT, CUSTOMER LOGIN, and STG SHIELD. Below this is a search bar with dropdowns for 'All Locations' and 'House Bill Number', and an input field for 'Enter a Number'. A 'Sign out' link is visible in the bottom right of the search bar. A secondary navigation bar includes tabs for Home, Containers, ITs, Exports, Air Imports, Air Exports, PWS, CES, Reports, Alerts (selected), Balance Due, My Account, and STG Transportation. The main content area features a table with columns: Location, Alert Name, Deactivate on, For, Status, Email, and Action. The table is currently empty, displaying 'No alerts scheduled'. An 'Add alert' button is located below the table.

## Balance Due

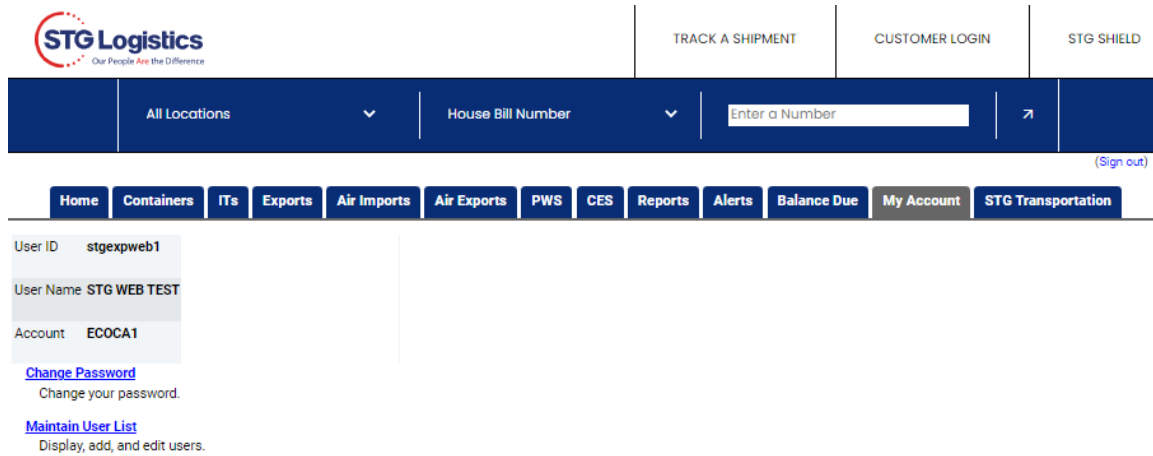

Balance Due tab will bring you to your invoice statement.

The screenshot shows the Balance Due tab interface. It features the same top navigation bar as the Alerts tab. The secondary navigation bar includes tabs for Home, Containers, ITs, Exports, Air Imports, Air Exports, PWS, CES, Reports, Alerts, Balance Due (selected), My Account, and STG Transportation. The main content area displays account information for 'Los Angeles' (Account Number: ECOCA1, Customer Name: STG WEB TEST, Total Outstanding Balance: 769,048.34). To the right, a table shows the 'Select No. of Days' breakdown: Current (535,174.40), 30-60 (107,321.66), 60-90 (60,981.37), and Over 90 (65,570.91). Below this is a search section with 'Search by Invoice Number' and 'Print invoices by date' options. A table at the bottom shows a list of invoices with columns: Invoice Number, Print Invoice, AR Type, Date, Reference, Master BL No, House BL No, and Outstanding Balance.
