

NOTICE: Temporary Disruption at Port of LA and Oakland Terminals

Dear Business Partner,

It has been brought to our attention that the yard workers at Port of LA (Terminal 300 - Fenix Marine and Terminal 400 - APM) and at Port of Oakland have ceased their operations for the time being. We are actively monitoring this situation to minimize any potential impact on your shipments. Our team will keep you informed of any updates as soon as new information becomes available.

If you have any questions or concerns, please do not hesitate to reach out to our local STG contact.
